Please Help Rescue Our Moms Detained in Chinese Labor Camps

We, daughters of four mothers who are being detained in Chinese labor camp and prison for their belief in Truthfulness, Compassion and Tolerance, undersigned, urgently and respectfully request your assistance in obtaining their release.

Our moms are being detained solely because they practice Falun Gong which is legal and respected everywhere in the world except China. They are forced to do hard labor and are subject to cruel brainwashing and all kinds of physical and psychological torture. They are:

- Jinhua Ma, 56, illegally sentenced to one-year labor camp in Anhui Province;
- Chunyan Wang, 54, illegally sentenced to 5-year-prison in Liaoning Province, second time in prison;
- Junping Cao, 51, illegally detained in Shangdong Province;
- Yahui Jia, 35, illegally sentenced to one-year labor camp in Liaoning Province.

We, the four daughters are:

Joanna Maqiong Wang, California; Ping Yu, California; Jin Pang, Missouri; and Zhishuo Zhang, New York.

We miss our moms so much and are worried sick about their safety. Please extend your hands to help rescue our moms. Your voice can make a difference and can contribute to end this 9-year-long persecution by the Chinese communist regime.

We also appreciate GMR's great help in coordinating this national petition effort.

Sincerely yours,

Joanna Wang, Ping Yu, Jin Pang, Zhishuo Zhang

Global Mission to Rescue Persecuted Falun Gong Practitioners (GMR) is an independent, non-profit organization whose objective is to call for and restore conscience and moral courage. Its mission is to expose genocide and persecutions against Falun Gong practitioners in China, to rescue those tortured and persecuted in jails, labor camps, mental institutions, and detention centers, and to initiate, coordinate, and support any efforts of the international community that help to eventually bring this catastrophe imposed on the Chinese nation and on the rest of humanity to an end.

Up to today (Nov. 28, 2008), over 3,214 deaths have been documented, as well as over 87,871 accounts of torture. An estimate of the real figure puts the actual death toll in the tens of thousands.
